Introducing Gather...

A simple collection of plates, bowls and platters to create a welcoming table of food to share.

On a background of soft, contemporary pastels, this collection features fine line work taken from Monsoon's fabric archives. Carefully etched onto durable porcelain, it has been interpreted to bring a 'relief' texture to each piece.

Monsoon Gather is a capsule collection featuring soft muted tones of grey, blue, pink and green together with a stunning and tactile 'relief' texture. Driven by the trend for more informal dining and entertaining the range is versatile enough to meet a variety of needs.

A wonderful gift and a stunning addition to your living space, the collection is ideal for hosting a coffee morning, afternoon tea or lunch with friends, and equally versatile enough for a Sunday morning brunch or for celebrating a special occasion.

Delicate in design and appearance but made to last, the porcelain pieces can be used in the oven, microwave, dishwasher and freezer.

MONSOON BY DENBY
Calista Mug Collection

The exclusive Calista set combines two stunning Monsoon mugs featuring soft pink colours and a stunning floral and bird design on soft cream china.
